British Independent Retailers Association

card processing

Reduce the cost of your card transactions and help improve your profitability

bira membership gives you access to the best card processing rates, with no authorisation fee and next day crediting**

£974
average member saving*

in partnership with:

* Saving assumes credit card turnover of £200,000 per annum and £100,000 debit card turnover, with an average transaction value of £50 and rental of acquirer owned terminal, figures are consistent with a typical bira member profile. Non-member cost per annum £4,030, member cost £3,056. ** Next day crediting facility applicable when also signed up to the HSBC Bank plc bira business banking scheme.

Preferential card processing rates specially negotiated for you.

Why choose our card processing service?

Using the collective strength of our membership, bira has negotiated preferential card processing rates with approved service partner Global Payments to help bring down the cost of your credit/debit card transactions.

Our preferential packaged member rates, with Global Payments give you a pricing structure that best suits your requirements. Their card processing service can help your business grow and with exclusive discounted rates for bira members, could reduce your costs too.

Global Payments understand when it comes to card processing, each business is individual, and that is why their card processing service will make it easy for you to accept card payments in a way that suits you.

Key benefits to you:

- ✓ Simplified fee matrix - unique to bira members
- ✓ Benefit from next day bank crediting with cleared funds if you bank with HSBC Bank plc, which can assist your business cash flow
- ✓ No setup fee (normally £500)
- ✓ 3 months terminal rental free for you as a new member to the scheme
- ✓ Cashback facility
